

Aruvi Hostels

Hostel Administration Office
Hostel Application Guidelines
Academic Year 2025–2026

1. Overview

Hostel accommodation is managed under Aruvi Hostels, which currently operates multiple hostel facilities. The hostels under Aruvi include Ganga Hostel, Yamuna Hostel, Kaveri Hostel, Godavari Hostel, and Narmada Hostel. Additional hostel blocks may be introduced in the future.

The hostel system follows a mixed hostel model where both male and female students may reside within the same hostel premises. However, room allocation is strictly gender-specific, and rooms will be assigned only to students of the same gender.

2. Application Process

Students must submit their hostel application through the official hostel portal during the announced application window. Applications submitted after the deadline may not be considered unless the administration announces an extension. Students are responsible for ensuring that all information provided in the application is accurate and complete.

3. Required Documents

Students may upload the required documents during the application process or submit them during admission verification.

- Identity Proof
- Income Certificate
- PwD Certificate (only if applicable)

Failure to produce valid documents during admission verification may result in cancellation of hostel allotment.

4. Priority and Selection

Hostel accommodation will be allotted based on a priority ranking system calculated automatically by the hostel management system. The ranking considers distance from residence, family income, and physical disability status (if applicable). The final Hostel Rank List will be published through the hostel portal.

5. Editing Applications

Students may edit or update their application only during the officially announced edit window. Once the edit window closes, no further changes will be permitted.

6. Verification and Discrepancies

All information and documents submitted by students will be verified during admission. If any false information, forged documents, or discrepancies are identified, hostel allotment may be cancelled and the student may be removed from the hostel. Further disciplinary action may be taken according to hostel regulations.

7. Compliance with Hostel Rules

Students are required to follow all hostel rules and regulations during their stay. Detailed rules are available on the official Aruvi Hostel portal. Violation of hostel rules may result in disciplinary action, suspension, or expulsion from the hostel.

8. Important Note

Submission of a hostel application does not guarantee hostel accommodation. Final allotment will depend on priority ranking, document verification, and availability of rooms.
